LUCASFILM™ PRESENTS

Pipe Dream™

Pit your pipe-fitting prowess against a surging stream of soggy sewage. But slow down for a second, and it's sludge city! ● You'll play instinctively, while you think strategically. You'll get good quickly, but you'll always have room to get better. ● Pipe Dream is a perfect desktop stress-buster. And a terrific tournament game. And a serious spatial strategy puzzle.

Basic, expert, and two-player modes.

Entertaining bonus rounds every four levels.

Slow-motion practice mode for first-time players.

Easily installed on hard disk drives.

36 increasingly cunning levels.

One false move and you're slugged!

Two plumbers can play at this game.

The better you get, the trickier it gets.

Amiga screens shown.
