BRING BACK THE GLORY DAYS!

PLAYER *Manager* 2

You are an international star appointed Player Manager of a second division club. Your playing skills may get you into the Premier Division, but can you stay there and challenge for European Honours?

Player Manager 2 contains all the pressures of present day football management - it's tough at the top! Should you buy a top quality player or increase your ground capacity? You'll need to deal with the press, handle the board, buy, sell and loan players, design tactics and improve your squad through extensive coaching.

Player Manager 2 is simulation of unparalleled depth - the only management game that gives you the option to play for the team you manage - giving action on and off the pitch!
