FOX
HITS N° **10**

Prehistorik, a member of the T-Bone tribe, is hungry and ready for a bronco lunch! Armed with Diner-Club, his faithful frazzler, he sets off on his food-spotting expedition. Follow Prehistorik from the unexplored ice-fields of Antartica, the darkend mysterious caverns of the shady continent to the lush jungles of the Tropics.

Bronco-Burger-süchtig und magenknurrend begibt er sich auf die Suche nach allem, was sein megagroßer Magen irgendwie verwerten kann. Sein bester Freund, die Keule "How-Drauf" hilft ihm aus jeder brezligen Situation. Prehistoriks Weg führt Euch vom tiefsten Dschungel durch gräßlich-dunkle Höhlen bis in die unmenschlich kalte Antarktis.

Grawagars a faim et doit nourrir sa famille. Armé d'une massue Anticus, ancêtre de la bat de base-ball, partez avec lui à la chasse au singe Agogo et débusquez Wagow l'ours fou. Découvrez des contrées inexplorées de l'Antartique et de la jungle luxuriante en passant par de sinistres grottes peuplées d'araignées poilues.

Prehistorik, membro della tribù del controfiletto, è affamato e pronto per un pasto a base di broncosauro. Armato della sua clava caccia-pranzi, sua fedele compagna, parte per la sua spedizione in cerca di cibo. Seguitelo nei suoi viaggi, dagli inesplorati ghiacci dell'antartide, alle misteriose caverne del continente nero, alle fitte giungle tropicali.
