PREMIER MULTI-EDIT SYSTEM

The most comprehensive Club Management simulation yet. Devised with all the financial and strategic problems of building up and running a successful football club, available for the first time with Premier Multi-Edit System.

Premier Manager 3

Three modes of in-match animation to help you determine the strengths and weaknesses of your team.

- Scour the European transfer market giving you the opportunity to import crack foreign players to strengthen your squad.
- Build a squad of up to 24 players from the very latest player listings, including a new 'player loan' facility to help avoid hefty fees.
- Appoint an Assistant Manager who will assist with training, hiring and firing, sponsors and the smooth running of the squad.
- Instruct every individual member of your squad to improve their passing, running off the ball and shooting, as well as directing their positional play.
- Use up to four independent scouts to help you find new talent at the right price.
- Apply direct to the club's directors for squad strengthening loans.
- Full graphical ground improvements and comprehensive match report, results and player/manager information service.

- Embarrassing mid-season sacking if you're not up to scratch. Manager of the Month award if you are!

The Premier Multi Edit System allows you to customise every aspect of your game. It's so easy to use: you can make any changes you wish to the data within the game. Each page has a series of icons to configure a different area of the game, allowing you to:

- Change the name of any manager.
- Edit player data screen - customising all player attributes.
- Swap players and teams between each division, updating each side with major transfers or move whole teams to different clubs.
- Alter the information about each club.
- Change playing kits.
- Edit countries and their cup final stadiums.
- Change ratings.
- Change data in a saved game. With Premier Multi Edit System you can have as much fun as you can playing the game.
