PROSPECTOR

Prospector gives you two of the cutest heros around, Herb and Pip, who have foolishly entered the labyrinths that are The Mazes of Xor. They've only got one chance to escape - collect 845 blue balloons scattered across the 15 mazes. Somewhere, somehow, the Xor himself is watching, clocking every move. Herb and Pip have to beat that clock.

Kein Ballern, sondern Knobelei - das Richtige für die grauen Zellen!! Herb and Pip sammeln Ballons. Nicht so einfach, denn außerdem gibt es noch Felsbrocken, Zeppeline, Kugeln und verschiedene Kraftfelder und Bomben, jedes Ding mit speziellen Eigenschaften. Nutze sie, um auch an den letzten Ballon heranzukommen.

Screen shots from various formats.
