A TALE OF TWO CITIES...

Take on the role of a cunning magician, a fierce fighter or a wily thief in your gallant attempt to save two cities from a grim cloud of pure evil. Shapeir and Raseir were once twinned cities, until Raseir fell into darkness. Soon its poisons will seep into Shapeir, and the people there will fall beneath its shadow the same way. It's a race against time and our hero will have to endure great hardships to succeed in this classic quest of good against evil.

- Battle unknown creatures using an improved combat system.
- Experience a different game every time you play, with different goals and different outcomes for each character class.
- More locations, more challenging problems to solve, many with multiple solutions.
- Complex character interaction.

*Highly recommended to all Sierra fans and adventurers everywhere.

Devenez un habile magicien, un combattant féroce ou un astucieux voleur et essayez de sauver vaillamment deux villes menacées par un nuage malfaisant! Shapeir et Raseir étaient autrefois des cités jumelles, puis Raseir tomba dans les ténèbres. Bientôt, le poison s'infiltrera dans Shapeir, et ses habitants seront eux aussi frappés par la malédiction. C'est une course contre la montre et notre héros devra faire face à de dures épreuves avant de connaître la victoire dans ce combat classique entre le bien et le mal.

Schließen Sie in die Rolle eines raffinierten Magiers, eines unbarmherzigen Kämpfers oder eines hinterlistigen Diebs bei ihrem tapferen Versuch, zwei Städte vor einer finsternen Wolke des Bösen zu retten. Shapeir und Raseir waren einst befreundete Städte, bis Raseir in Dunkelheit fiel. Schon bald werden die üblen Gifte auch Shapeir erreichen und die Bewohner der Stadt ebenfalls in den düsteren Schatten hüllen. In einem Wettlauf mit der Zeit wird unser Held viele Anfechtungen überleben müssen, um diesen klassischen Kampf zwischen Gut und Böse zu gewinnen.

Vesti i panni di un astuto mago, un feroce lottatore o uno scaltro ladro nel coraggioso tentativo di salvare due città da una scura coltre malvagia. Shapeir e Raseir erano città gemelle fino a quando Raseir non piombò nelle tenebre. Presto i suoi veleni si infiltreranno in Shapeir e anche la sua gente finirà nell'ombra. È una corsa contro il tempo e il nostro eroe dovrà tener duro se vorrà far trionfare il bene sul male.
