REACH FOR THE SKIES

THE BATTLE OF BRITAIN

Summer 1940. The future of World War II hangs in the balance. The cream of the German Luftwaffe and the aces of the RAF are locking horns in their most crucial confrontation yet – The Battle of Britain.

Over 50 years on, you have the chance to re-live that famous battle and play the part of a British pilot or a German flying ace. Your performance determines whether the outcome is a repeat of the British victory or an unprecedented German success.

Programmed by the team that brought you "Flight Of The Intruder", the definitive 90's flight sim, Reach For The Skies exploits the same unparalleled technology and reaches new heights of historic realism.

- Re-live the crucial days of the battle as controller, pilot or gunner.
- Includes huge array of in-flight options and controls.
- Choose from eight meticulously recreated aeroplanes – Spitfire, Hurricane, Bf 109, Bf 110, Ju 87, Ju 88, He 111 or Do 117.
- Features record and playback modes – watch and re-watch your favourite dogfights.
- PC version includes multiple sound board support, 256 colour VGA graphics and Gouraud shaded aircraft for extra realism.
