Love Thy Neighbour? Or put him to the sword? The choice is yours.

For the first time, you can take **COMPLETE** control of your own destiny as you attempt to dominate an entire world.

The King is dead. Long live the King. And the King is you....

Endowed with the divine right to rule, you inherit your father's Realm on his death. But the fragile peace has been shattered and war rages between the Realms. Now your brief reign has become a fight for survival.

The neighbouring Realms are growing in strength at your expense. Do you build lines of supply to barter with them? Or build armies to battle with them? Each Realm vies to be the ultimate power.

There can only be one. Just make sure it's yours....

Enter the world of **REALMS** and you could control:

- * Over 125,000 square miles of fractally-generated landscape.
- * 128 armies, each a thousand strong and with definable battle formations and six distinct humanoid races.
- * Countless cities, their inhabitants lives and their money.

Aimer votre prochain? Ou le passer par le fil de l'épée? A vous de choisir.

Pour la première fois, vous êtes **ENTIEREMENT** maître de votre destin, tandis que vous tentez de dominer tout un monde. Le roi est mort. Vive le roi. Et le roi, c'est vous...

Un droit divin vous échoue lorsque vous héritez du Royaume ("Realm") de votre père à sa mort. Mais la fragile paix a été brisée et la guerre fait rage entre les Royaumes. Votre bref règne devient une lutte pour votre survie.

Les Royaumes voisins s'étendent à vos dépens. Devez-vous constituer des stocks pour marchander avec eux? Devez-vous plutôt constituer une armée pour les combattre?

Chaque Royaume cherche à devenir le maître absolu. Il ne peut y en avoir qu'un. A vous de faire en sorte que ce soit vous...

Amare il prossimo? Oppure ucciderlo con la spada? Sta a te decidere.

Per la prima volta puoi avere **COMPLETO** controllo sul tuo destino mentre cerchi di conquistare il mondo intero. Il re è morto. Lunga vita al re. E il re sei tu...

Avendo ricevuto il diritto divino a regnare, erediti il regno di tuo padre alla sua morte. Ma la fragile pace è stata distrutta e la guerra infuria tra i vari reami. Il tuo breve periodo di regno è diventato una battaglia per la sopravvivenza.

I regni vicini stanno diventando sempre più forti a tue spese.

Stai costruendo linee di fornitura per barattare con loro?

O formando eserciti per combatterli? Ogni regno cerca di conquistare il poter assoluto. Ma solo uno può farcela.

Fai in maniera di essere tu il vincitore...
