Ever wanted to make it big? Here's your chance! Choose your stars, make all the decisions and try to hit the big time!

BIDET Shoot stunning videos - Hollywood or Cricklewold? Will you use an expensive director like Cecil Bidet-Mills or your trusty sidekick Clive? Do you go out on the road or lock the band up in the Studio?

THE BIZ The first big break, the elusive "deal" - will you be offered a recording contract? Can you compete in the charts with megabands like The Boring Old Gits From The '60s? When do you release the follow up single? Will your album go platinum? Is your act a one hit wonder?

GRABBED! Don't get sued, ripped off, busted, pirated, bankrupted, extorted, embarrassed, exposed or grabbed by the tax men! It's a hard life in the management game.
