RORKE'S DRIFT

Atari ST screenshots

The date: January 22nd 1879.

The place: Rorke's Drift.

A supply depot manned by 137 British soldiers, 36 of them wounded. News has just arrived that 1,500 men, officers and other ranks have been attacked and wiped out by the Zulu army. 4000 of them are pressing towards the 'Drift.

Rorke's Drift is not make-believe, it's history. The defenders held their ground for twelve exhausting hours - against all odds.

This simulation gives you command of the outpost. You control each of the 137 men. You decide when they advance, retreat - and fire. Now it's your turn to make history.....

- Historically accurate simulation.
- Unprecedented ease of use for a war game.
- Each piece represents one man.
- 3-D Map
- Animated movement and combat
