SARAKON IS
NOT A3000
COMPATIBLE

What have a sea-horse, a magician, a butterfly and a
mask got in common?

The answer... is SARA KON

One of the simplest games you'll ever play.
If you want a game you can pick up and play
immediately then Sarakon is for you.

By simply matching pairs of similarly engraved tablets,
work your way through 40 ever more cunning levels
designed to drive you to the very edge of distraction.
The beauty of Sarakon is in its simplicity. In fact it's...
SIMPLY ADDICTIVE.
