# Mastery. Might. And Magic.

That's what you'll rely on to rescue kidnapped hostages in the mysterious—and menacing—world of SHINOBI.

You'll display *mastery* of your Ninja Warrior skills—to outsmart and outmaneuver a relentless army of terrorist attackers.

You'll use *might*—and mighty Ninja Stars—to fend off thugs, mongos and green ninjas.

And, finally, you'll conjure up *Ninja Magic*. Your only weapon for those impossible moments against the evil Ring of Five.

Slip through the cold, cruel inner-city streets. Discover dozens of golden Buddhas, deep inside the sacred sanction. Or take on an evil, oversized helicopter, known as the Black Turtle.

Behind every corner in this surprising world, danger is lurking. And nothing is as it appears.

The menacing Black Turtle is almost upon you. Think fast. And act bravely.

To overcome the deadly flying fireball, you need patience, perseverance and a keen eye.

The BONUS stage. Fling Ninja Stars at waves of enemy Ninja and increase your score.

As beautiful as they are beastly, the revolving Buddhas hold numerous hidden surprises.

Deep in the caverns of the city, enemy leaders roam. Each one has a weakness. Find it, fast.
