Well, maybe not so friendly.

You've stumbled into the galaxy's last den of air hockey enthusiasts. And these goons take their Shufflepuck seriously.

If you lose, you'll deserve their contempt.

If you win, you'll earn their resentment.

But what choice do you have? It's clear you're not walking out of this dive until you've played the entire gang of intergalactic misfits. It could be the sports massacre of the 25th century.

Okay, you Brilliant barflys, you're on. And may the best Shufflepucker win!

- ▶ *Nine different opponents, each with a unique personality and style of play. Some of them even talk back to you!*
- ▶ *First player to score 15 points wins (the barroom droid keeps score).*
- ▶ *At last, an arcade game that's perfect for everyone. It's so easy to play... but so hard to beat.*
