Lee is having a restless night, sure he's fast asleep, but that won't stop him taking one of his nocturnal journeys! Fortunately, our sleepwalker has a courageous canine companion who will try his utmost to protect his master from coming to any harm - Lee's faithful mutt, Ralph.

Lee's four legged friend is zapped, bashed, clobbered, pummeled, singed and squashed, but nothing will stop him from performing his dedicated duty, (although the odd fire hydrant may distract him)... it's all par for the course of a night errand.

These midnight meanderings take him to the most hazardous of places... the creepy graveyard, the gooky zoo, precarious construction sites and the traffic strewn city streets, but Lee's loyal rover steadfastly guards his master from all impending dangers - with painful consequences!

Featuring sound effects and speech created by **LENNY HENRY**, and superb cartoon style animation.

SLEEPWALKER represents a unique relationship between Ocean Software and Comic Relief. Join in the fun with your own fund raising event using the official sponsorship form inside.

A contribution from the sale of this game will go to Comic Relief to help fund projects in Africa and the U.K. **Every penny** raised by Comic Relief in public donations and through the sale of merchandise is allocated to a specific charity project.
