**Snoopy, Woodstock, Good ol' Charlie Brown, and the rest of the Peanuts gang are here at last on your home computer!**

Linus has lost his blanket! And whilst Linus' world seems about to

end, you as Snoopy the world's favourite beagle set out to find the blanket ... But its not that easy!

A full-blown adventure in 100% graphic form as you've never played before! This game features superb cartoon-video simulation: you'll think you're interacting with an animated cartoon!

When you want Snoopy to do something, just sit back and watch as the action is fully animated before your eyes!

A game that is full of surprises and will keep even the most experienced game player coming back for just-one-more-try months after you first play it. And there's more than one solution too! So solve the game once and there's still much more to discover as you play the part of the intrepid beagle super-sleuth!
