STRATEGY

The mystery/role-playing adventure, combining History and classic science fiction, based on the popular role-playing game by Game Designers' Workshop.

SPACE 1889

Space 1889:

Discover a

recreated solar system as envisioned by the scientific theories of the 19th Century and in the imaginations of such classic writers as

Jules Verne, A. Conan Doyle and H.G. Wells.

WEAPONRY

● Historic 19th Century weapons include 30 guns, nine close combat weapons and four throwing weapons. Your choices range from bolt-action rifles and single-barrel revolvers to swords and daggers.

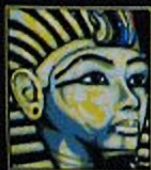

PROFICIENCY

● Create five characters, male or female, from among six attributes and 24 skills, including Fisticuffs, Crime, Theatrics and Engineering. Control character development through a wide variety of careers.

INTERPLANETARY EXPLORATION

● Visit the canals of Mars and deal with warring Martians; explore the treacherous swamps of Venus; travel through the mysterious underground caverns of the Moon . . . Even Earth is ripe for exploration and rife with intrigue . . .

● Planets and stars are accurately represented in Space. It's possible to actually navigate by the constellations themselves!

DIPLOMACY

● Overcome corrupt German conspirators, a radical Martian religious cult and the awesome intelligence of an advanced alien society that has escaped notice for thousands of years.

TACTICS

● Realistic combat sequences let you control each character individually, while still giving general orders to the others.

HISTORICAL ADVENTURE

● Over 100 locations to explore on Earth alone - all depicted with historical accuracy and fascinating details. Cities include London, New York, San Francisco, the Far East and the Valley of the Kings.

VERSATILITY

● Meet and interact with over 500 unique characters, each with distinct personalities.
