Ace, Earth's greatest hero, is being attacked by the evil commander Borf. Borf has just kidnapped the beautiful Kimberly, and is plotting to take over the planet Earth with the help of his dreaded weapon—the Infanto Ray. Only you can guide Ace through treacherous battles to destroy the Infanto Ray, save Earth and rescue Kimberly. Be valiant, space warrior—the fate of Earth is in your hands!

Space Ace®, the arcade follow-up to Don Bluth's Dragon's Lair®, is now available with the breathtaking full-screen animation and

sound of the original laser-disk game. Advanced compression techniques allow for over 40 fast-action scenes to be brought to life on your personal computer.
