

AMIGA 4

Spherical

Magie and logic; skill and intelligence: Spherical is a game of opposites. Your cleverness and joystick skills are tested to their limits, when the wizard with his magical powers overrides the law of gravity to guide a sphere into the goal.

Breathtaking graphics, over 200 different levels, a two player-team-mode, dozens of hidden extras and ten big, fully animated Guardian-Monsters. Spherical will show you, what your computer can really do.
