SPINDIZZY

WORLDS

"IT'LL MAKE YOUR HEAD SPIN"

Spindizzy is back! Hanging in space is a cluster of worlds and for each world a different quest awaits. GERALD, a graphical Environment, Space and Land-Mapping game, is set to explore the solar system, collecting energy crystals scattered around the scrolling 3D environment. You'd better have your Spindizzy skills honed to perfection to escape before the crushing time-limit spells an end to your game-conquering aspirations!
