MASTERTRON²C

THE COMPUTER GAME!

DISCOVER THE MOST ADDICTING STRATEGY GAME SINCE TETRIS™!

From the publishers of Monopoly®, Scrabble®, Risk™, and Clue Master Detective™, now comes the newest in addicting strategy games.

As easy to learn as checkers, yet with levels of complexity that will challenge even chess players, **SPOT** The Computer Game offers endless play value for young and old alike.

Featuring:

- 1, 2, 3, and 4 player modes, played against your friends, computer players, or a mixture of both!
- 9 selectable levels of computer skill to provide a never-ending challenge
- An "on-screen" playfield designer so you can customize your own game, or select your personal favorite playfield from the 512 pre-programmed playfields – the playing options are virtually endless.
- Fully animated game pieces – **SPOT** comes alive and boogies across your computer screen with commercial-quality graphics and sound.

SPOT RATING: G.

Great entertainment for the whole family.

"Be forewarned. It's addicting!"
