

# SPY VS THE ISLAND CAPER SPY™

The crazy duo from MAD Magazine are back! Can you find all three parts of the top secret XJ4½ missile, and escape from the island before your enemy, AND before the volcano erupts.

This comical and highly playable game allows you to set booby-traps ranging from exploding coconuts to hidden snares and shark attacks!

Featuring the amazing 'Simulvision', you can play against the computer or a friend in this crazy, comical race against time.

"Fun and addictive gameplay make this 'classic' game a must for both one and two players!"
