Sucked by the force of a miniature black hole into this and every STARCROSS package: your STARCROSS disk, M.C.S. STARCROSS ship's log, a computer-generated map of outer space and the most up-to-date instructions on what to do when you encounter aliens.

STARCROSS, Infocom's science fiction mind-bender, launches you headlong into the year 2186 and the depths of space. And not without good reason, for you are destined to rendezvous with a gargantuan starship from the outer fringes of the galaxy. Upon docking with the strange craft, you must succeed in gaining entry to its mysterious interior. Once within, you will encounter a microcosm of the galaxy, peopled with both harmful and helpful beings. But the great starship serves a far larger purpose than mere cultural exchange. It bears a challenge that was issued eons ago, from light years away—and only you can meet it.

**GET INSIDE A STORY.  
GET ONE FROM INFOCOM!**

It's like waking up inside a story! Load Infocom's interactive fiction into your computer and discover yourself at the center of a world jam-packed with surprising twists, unique characters and original, logical, often hilarious puzzles.

For the first time, you're more than a passive reader. You can talk to the story, typing in full English sentences. And the story talks right back, communicating entirely in vividly descriptive prose. What's more, you can actually shape the story's course of events through your choice of actions. And you have hundreds of alternatives at every step. In fact, there's so much you can see and do, your adventure can last for weeks and even months.

To find the Infocom interactive story that's right for you, just choose any one marked with the level of difficulty listed below that best matches your current level of interactive skill.

**Junior:** Best introduction to interactive fiction. Written for everyone from age 9 up.

**Standard:** Good introductory level for adults. This is Infocom's most popular level of interactive fiction.

**Advanced:** A greater level of challenge. Recommended for those who've already experienced Infocom's interactive fiction.

**Expert:** For real diehards seeking the ultimate challenge in interactive fiction.

Then find out what it's like to get inside a story. Get one from Infocom. Because with Infocom's interactive fiction, there's room for you on every disk.
