and Atari ST computer formats.

Send your hi-Tech helicopters for
recon, targeting or Anti-Submarine
warfare. Engage enemy fleets, submarines,
strategic missile bombers, and land based
missile launchers. Configure your task force from
12 ship classes and deploy up to 16 vessels at
once. Control the action from any craft at any time -
including your helicopters! Real world scenarios set
in the North & South Atlantic, Persian Gulf, and
North Sea.
