SUPERSTAR ICE HOCKEY

Designed by Ed Ringler

Join the SportTime Hockey League.

(Commodore 64™ version shown).

(IBM® PC version shown).

Superstar Ice Hockey is the first complete computer hockey simulation. It's actually three games in one, a software hat trick. Play, coach, *and* manage. As a player, take the ice as center or goalie. Fire slap shots, hip-check opponents, make slick passes, block shots. As coach, set up and rotate your players' lines. As general manager, trade and draft players. Build a weak franchise into a contender for the SportTime Cup. Can *you* ice your opponents?
