TV SPORTS

BOXING

1, 2, 3... So realistic it hurts. But you can punch back with **TV SPORTS BOXING**. Hit hard with a fighting machine you've created... training and managing him until he's ready for this fight. The big one.

ROUND 1

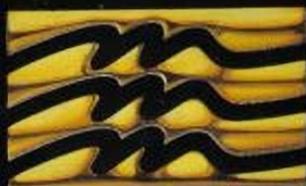

1, 2, 3...

THE WINNER

Take on the computer... or slug it out on-screen with a friend. Graphics just like you're in the ring, sounds like a TV broadcast. Think about your fight tactics. An early knockout... or wear your opponent down? Duck, dive, hit, take chances... but always play **TV SPORTS BOXING** to **WIN**.
