Terry's Big Adventure is a one player, left to right, smooth scrolling, jump and run game with superb music, sound effects and excellent graphics.

Terry is a small, energetic character who is an expert with a yo-yo. His adventure takes him through 12 levels where he encounters numerous obstacles such as hedgehogs, snails, bridges, rivers and poisonous mushrooms that pop up at the least expected moment! Armed with his yo-yo or rocks, Terry must slay the enemies to be able to continue on his adventure.

Included in the game are hidden bonus levels, extra lives to gain, and objects to find to increase time.

Very compulsive arcade gameplay.
