# WARLORDS

Warlords is a huge, eight player strategy game of empires, castles, armies, heroes, monsters and dragons.

In the fabled land of Illuria, an unconvincing peace treaty has just expired. Now, eight mighty empires contend in a ruthless struggle for supreme power.

Only one will prevail...

*Crush the strongholds of your enemies!*

*Show no mercy! Slaughter your foes!*

*Discover what the other Lords of Illuria think of you!*

*Treat your defeated foes with the contempt they deserve!*
