Cinemaware Takes to the Air!

- Join up as a rookie pilot and track your career through rank promotions and commendations
- Fight your way through over 230 increasingly challenging missions
- Experience the triumph and tragedy of an entire squadron from 1916-1918
- Read a computer generated diary of your wartime experiences
- Marvel at the revolutionary blend of 2D and 3D graphics

Relive the action, glory and seat of the pants daring of a WWI Allied fighter pilot! You'll strafe Hun armies, bomb enemy aerodromes and match wits against deadly Aces in heart-stopping dogfights, the loser going down in flames . . . without a parachute!

More than just a simulator, Wings features genuine arcade action and an emotion packed role playing experience. Wings is the easy to play air combat simulation you've been waiting for . . . no complicated keyboard commands. Just fly and shoot!

Free Bonus!
Included at no extra charge is a comprehensive history of air combat in WWI containing over 40 rare photos.

Strafe enemy convoys!

Destroy troop trains!

Going down . . . without a chute!

The ultimate role playing experience!

Movie-like 3D graphics
