## LEADER BOARD™

By Bruce & Roger Carver  
Amiga Version by StarBuck & Myles Harthun

Now you have the opportunity to play the same courses that have challenged golf's greatest legends. "WORLD CLASS" LEADERBOARD features three famous 18-hole golf courses and each hole authentically reproduces the distance, traps, trees, rough and water hazards of:

- St. Andrews - "The Most Revered Course in Golf"
- Doral Country Club - "The Florida Blue Monster"
- Cypress Creek - "The Largest and the Finest"

The fourth course, designed specifically for "WORLD CLASS" is the "GAUNTLET COUNTRY CLUB". Only those who have mastered the best courses in the world should expect to come close to par at "THE GAUNTLET".

"WORLD CLASS" will challenge you with the same strategy and option decisions you face in your real game. And because the look and feel are so life-like, it may improve your actual golf game as well.

"WORLD CLASS" features a Course Architect that will let you create your own golf courses or modify existing courses and holes. Other outstanding features include:

- Ultra-fast screen updates!
- Scorecard Printout.
- Realistic digitized animation.
- Incredibly detailed digitized trees and shrubs.
- Practice Putting Green and Driving Range.
- Digitized sound.
- Top View (A birds-eye view of the course and your current position).
- Course Architect that allows you to design you own golf courses.
- One to four players can compete at three different playing levels.
- Choice of club, distance, type of shot (hook, slice, punch or putting).
