ZAK MCKRACKEN AND THE ALIEN MINDBENDERS™

Il carattere principale è un giornalista di nome Zak McKracken autore di un articolo sensazionale per il quotidiano National Inquisitor. Nel mondo di Zak, ci sono impossessati, tartarughe a due teste, ricette di minestrone ai Marziani, e vampiri vegetariani sono routine di ogni giorno all'ufficio, ma quando scopre che l'epidemia internazionale di stupidità è in realtà un complotto extraterrestre per ridurre il quota intelligenza degli esseri umani a numeri singoli, le uniche persone che trova ad aiutarlo sono due editori di Yale e un oculista.

Zak e i suoi tre compagni cercano per tutta la terra e altre, degli indizi, alleati e antichi artefatti. Il loro obiettivo è quello di smascherare i sabotatori alieni (che con i loro acuti travestimenti) sono riusciti a controllare la compagnia telefonica e fermare il meccanismo della stupidità prima che sia troppo tardi.
