Put yourself and your driving skills against the clock and computer controlled opponents to challenge for the Victor's Cup. Off-Road Racing is a test of speed and survival. Customise your vehicle and prepare to race over some of the world's toughest, roughest courses gives you the ultimate driving challenge: the Georgia mud flat, the Michigan Winter Wreck-off, the Death Valley Trek or the Baja challenge. Snow, ice, mud and desert all combine to make Off-Road Racing the most hazardous road game yet. It makes the Grand Prix look like child's play.
