NORTHBROOK, IL 60062

Take to the streets. Or take to the skies.

Because Action Fighter is the incredible, transformable combat vehicle.

You start out on a customized cycle. Built with enough speed and power to jump over water and overtake enemies.

Then, by finding the right parts along the way, you'll change your cycle into a supercharged, state-of-the-art sports car.

Next, add two turbojets to make your car airborne. And take to the skies.

Down hyped-up helicopters and jet spaceships from above.

And no matter which vehicle you're manning—or who you're after—get ready to stand by for action!

Jump over water—blasting enemies to a watery death as you go.

This baby's fast. But so are the guys you're chasing.

In the air you've got a better shot at your adversaries. But then they have a better shot at you!

Watch where you're going. Or the going will get rough.

You'll always have a chance to get more ammo from the Sega truck.
