Introduction

This is a two-on-two basketball game that captures the speed and strategy of team basketball. You will work together with your team mate to score against your opponent. The pace is fast and you will play full court meaning clever defence and passing can result in a fast break, possibly ending in a backboard-shattering SLAM DUNK.

Options Screen

Use either joystick to point to any item on the screen. Press joystick button to activate that option. The items available are:

1. **Marquis** — Takes you to the Game Set up Screen. When you are ready to continue, point to the "EXIT" box and press FIRE.
2. **Mastertronic Logo** — Shows you the Game's credits. Press FIRE to return to the options screen.
3. **Coach's Door** — Takes you to the practice session. Here the coach will take you through all of the moves and plays.
4. **Arena** — This door leads you onto the hardwood to play the game. Note: You must wait for the game to complete loading. Do not stop the cassette.
5. **Television** — Shows you a demonstration of the game.
