

## *Certificate of Authenticity*

This is to certify that I, Lynn Abbey, purchased this copy of the  
'Computerland Akalabeth' (manual and cover art page) in 1989  
in a lot of Apple II software at a close-out/rummage sale  
in Michigan. It has remained in my possession since, until 2011  
when it was sold at auction to Howard Feldman.

Signed Lynn Abbey  
Date August 2, 2011
