

ADDENDUM
LOADING/SAVING CHARACTER
Alternate Reality - C-64

In order to reliably load or save a character, please perform the following steps whenever prompted to insert a character disk:

- 1) Remove the current disk from the drive.
- 2) Turn the drive off and on, once.
- 3) Insert your character disk.
- 4) Continue as prompted on the screen.

This inconvenience will be corrected in a future revision of Alternate Reality.
