SOCCER

Designed by Ed Ringler

Experience all the action and non stop excitement that has become a trademark of indoor soccer. Play. Coach. Be the general manager. This is a complete MISL simulation. No other program re-creates on-field, indoor action with such realism. No other program lets you make coaching decisions and executive decisions. You have control of your own MISL franchise!

Features:

- **Be the player.** Headers, bicycle kicks, passes, dribbling, injuries—contains all the fast-paced action of indoor soccer.
- **Be the coach.** Make lineups, substitutions, and call plays.
- **Be the general manager.** Draft and trade MISL players. Can you turn an expansion franchise into an MISL powerhouse?
- **Experience realistic graphics and animation.** Sharp graphics and smooth animation allow full player movement for up to 12 players at a time on the field.
- **Play alone or with a friend.** Play against the computer or another opponent, or play two against the computer.
