CBM 64

The Ancipital is trapped in a 10 x 10 maze of interconnecting rooms, each inhabited by the freakiest collection of hostiles since 'Revenge'. Fast blasting and quick thinking are required to get through. Collect the six Key Camels and the five Goats of Power as you travel. Frantic, psychedelic, cybernetic and pseudo-gravitic, Ancipital is an adventure for blast 'em up fiends who hate adventures.
