HELP ARDY LICK THE ANTS!

ARDY™

By Chris Oberth

Looking for a tongue-twisting good time? Help Ardy eat his dinner! Avoid worms, stinging ants and spiders — clear out the anthill — and move on to more food. Ah, the life of an aardvark... the only thing you have to worry about is tying your tongue in knots!

"COMPILED BY FLASH! (LAUMER RESEARCH)"

"Graphics created with Penguin Software's Graphics Magician"

ARDY THE AARDVARK is a fascinating and addicting arcade-style game. Excellent graphics, exciting action and of course — Ardy himself — will have you laughing all the way to Aardvark Heaven!
