

Asterix

Asterix and Obelix must find the remaining seven pieces of the Magic Cauldron. Their quest is hampered by marauding legionnaires, vicious gladiators, wild boars and a perpetually hungry Obelix! Search the forest, visit the fortified camps of Totorum, Aquarium and Compendium, escape the Roman dungeon, wander through Rome but don't forget you must bring the seven pieces of the Magic Cauldron back to the village.

Features:

- * Enlarged fighting mode
- * Full three dimensional movement
- * Large, complex environment to explore.

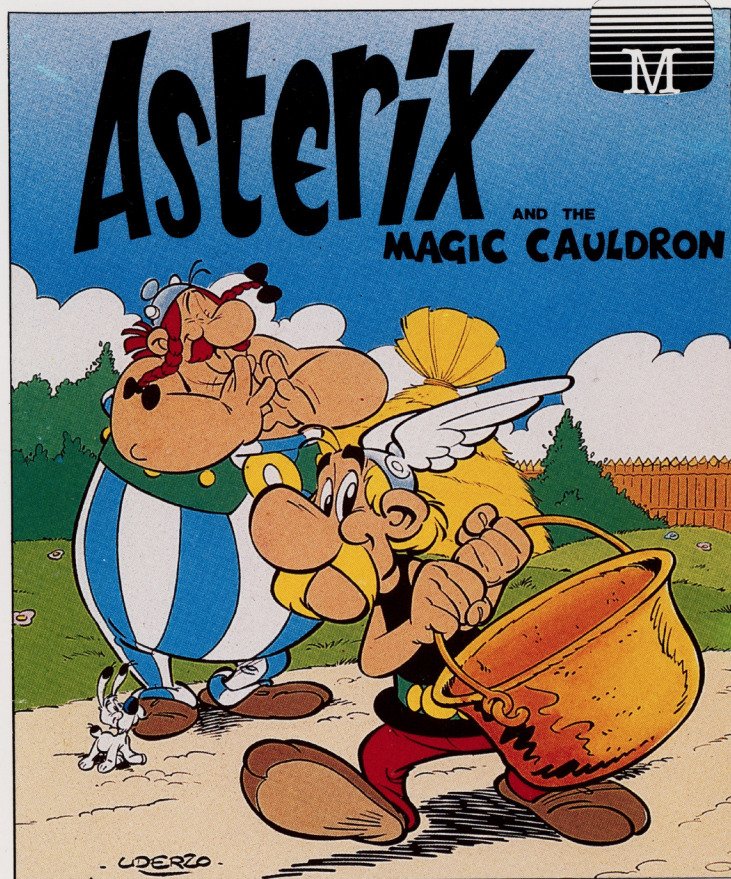

REQUIRES JOYSTICK.
