

The Quest continues. Thor has survived the Quest for Tires™ Now a new Quest... for clams? That's right. Thor is out to find the Meaning of Life but to get there he must have clams.

Oh, but it's a hard journey. Climb steep hills. Dodge rocks and potholes. Speed through treacherous caves.

Avoid Tiredactyls and the mighty Grog.

Follow the straight and narrow. Cross each bridge as you come to it. Take the high road and the low road and you can learn the Meaning of Life.

Yes, it's worth every clam to see Grog's Revenge™
