BAD BLOOD

PULSE-POUNDING Arcade Action!
RADIOACTIVE Roleplaying!
The Ultimate Post-Apocalypse Saga!
ARE YOU MUTANT ENOUGH TO HANDLE IT?

In a world devastated by nuclear holocaust, the pure-blooded humans have sworn to exterminate their mutant cousins. Only you can prevent it!

- **EYE-POPPING GRAPHICS & BONE-JARRING MUSIC**
- Battle dozens of lethal foes in real-time arcade combat. Gun-toting slavers, airborne buzzars and the terrible Urse push your survival skills to the ragged edge!
- Arm yourself to the teeth with weapons like sawed-off shotguns, rapid-fire oozees and high-powered buzzcocks.
- Interact with the survivors in this blasted world using a fast-moving, menu-driven conversation system.
- Explore searing wastelands, ramshackle towns, ravaged cities, and hidden underground complexes seething with forgotten technology and mutated monsters.

You're the hottest slicer in the village--that's why the Himukkk picked you.
"If the humans attack," he said, "we're slag. See what's got'em wadded up, an' try to fix it.
