THE #1 SMASH ARCADE HIT!

BAD DUDES™

BAD DUDES shot to the top of the arcade charts upon its release, and has remained in a top position ever since.

SCREENS SHOWN ARE FROM IBM AND ATARI ST VERSIONS. OTHER COMPUTER VERSIONS MAY VARY.

THE FORCES OF GOOD HAVE NEVER BEEN SO BAD!

KIDNAPPED! the headlines scream. The nation is paralyzed in shock. Is it possible? The President kidnapped? Without a moment's hesitation you know who's responsible — the Dragon Ninja. As Blade or Striker, a.k.a. THE BAD DUDES you take to the streets to rescue the President from his clutches.

But the Dragon Ninja is ready for you. He sends wave after wave of relentless ninjas, vicious dogs, and enemies to stop you. Armed with knives, shurikens and numchucks you must fight tooth and nail — in alleys, on waterways, even on moving semi-trucks.

And don't think that once you've wiped out an advancing ninja horde you're safe. The Dragon Ninja has surprises up his sleeve. When you least expect it, you will find yourself face to face with any number of super monsters, and if you think you're BAD . . . they're really BAD.

In the end . . . if you're BAD enough . . . you take on the Dragon Ninja himself. You must defeat him and snatch the President from the helicopter that's about to whisk him away to who-knows-where. It'll take every skill you've ever mastered — and a few new ones to be BAD!
