WELCOME TO THE WORLD CHAMPIONSHIP

Congratulations. You've been invited to participate in the challenge of Barry McGuigan's World Championship Boxing. Raw iron-twisting strength is definitely an asset, but for a shot at the title you'll need more than that . . . like strategy, finesse, lightning fast reflexes and a mental toughness that most games are afraid to require. Before you grab your gloves please read this official programme. We'll explain some of the finer points and strategies of the game, teach you to become an effective puncher, and introduce you to the World Championship circuit.

BOXING STYLES

Dancer: Likes to "stick and move". Rarely goes inside.

Boxer: Sometimes moves inside, but prefers to keep his distance. An excellent style if you like to flurry.

Mixed: Very unpredictable. Hard for your opponents to "read".

Sluggo: No-nonsense style. Doesn't tire quite as easily because he doesn't do much dancing. Goes inside often.
