BATTLE OF BRITAIN

THE SCENARIO

The Battle of Britain took place between July and October of 1940, and was the German Luftwaffe's attempt to defeat the R.A.F. and gain air superiority prior to Operation Sealion - the invasion of Great Britain scheduled for the summer of that year.

The ensuing battle has gone down in history as one of the most courageous of WWII culminating in the defeat of the Luftwaffe and the cancellation of Operation Sealion.

In the famous words of Winston Churchill:

"Never has so much been owed by so many to so few"

The Game

You are in control of Fighter Command and the computer simulates the operations room. Your task is to deploy your aircraft against the incoming squadrons of the Luftwaffe, whilst bearing in mind the

problems of limited flying time, ammunition, available landing strips and the size of the incoming force. You can also test your arcade skills by actually flying a Spitfire in air to air combat or firing an anti aircraft gun in ground to air battles.
