Beyond the Ice
Palace and to the
North, legend tells
of a mystical land
where strange
creatures dwell. It
is a land of fantasy
and magic, of
goblins and evil.
of good and evil.

Recently, there has
been great upset in
the balance of
these lands. The
forces of evil have
been burning down
the forests,
destroying the
homes and lives of
the simple
woodcutters.

One night, a
meeting was held
between the

ancient and wise
spirits of the
woods. A decision
was made to
appoint a single
person to be
responsible for
returning the
balance to the
lands once again
by banishing the
evil back from
where it came.

They blessed a
sacred arrow with
the powers of the
woods, which
would summon a
spirit in times of
need, and shot it
into the air.
Whoever found the
arrow would find
themselves in an
adventure of
fantastic
importance...
