FOR COMMODORE[†] 64

BLACK HAWK

... Pilot Black Hawk across enemy territory knocking out enemy planes and tanks, gun positions, rocket launching sites, power cables, railway lines, radar, barbed wire and the ultimate goal, the airfield ...

... Your on-board computer will be a big help, it automatically changes your views between attack and defence dependent on the level of incoming hostiles ...

... You are flying the world's deadliest aircraft, however it would appear that your command centre has just sent you on the world's deadliest mission ...

With over 30 levels of play, one of the most advanced games written for the 64. Offers the ultimate in action/strategy play.

... Joystick control ... 1 or 2 players ...

... Two full action scrolling screens ...
