

For the CBM 64, from the creator of Astro Chase comes **Bristles**. With outrageous graphics, dazzling game play, testing quick reactions, concentration, logic and strategy, it is mind (and joystick) boggling!! Featuring **Sex-Select**, you can choose either boy or girl painters.

**Bristles** features 8 different game screens and 6 skill levels for each building. Scramble to paint the entire building while avoiding the smart Bucket Chucker, Dumb Buckets and flying Half-Pints. Take the lifts, climb the stairs and watch out for the caretaker's daughter; she puts her hand prints all over the place! Then there's prizes, candy canes, "invisible paint"...

With fully animated characters, music, sound effects, multiple screens and hi-res graphics, you can't help but want to add **Bristles** to your collection.
