

## *GAME PLAY INSTRUCTIONS*

## Disk Loading Instructions

Turn on the disk drive. Insert the diskette into the drive with the label facing up.

For Commodore 64 type **Load"!",8,1** (return)

For Commodore 128 press **RESET**.

## One or Two Player Selection

During game play, the following keys are active:

 Press the **Commodore Key** to pause the game. Press it again to resume play.

 Press the **"Q"** key to place you at the beginning of a new game.

## Joystick

**Bub** (player 1) uses the joystick in Port 2.

**Bob** (player 2) uses the joystick in Port 1.

Moving the joystick left and right moves Bub and Bob in the corresponding direction.

Moving the joystick up causes Bub or Bob to jump.

Pressing the fire button makes Bub or Bob blow a bubble.

Keeping the joystick pushed up allows you to bounce on the bubbles.

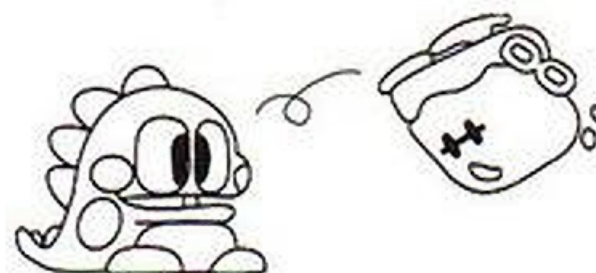

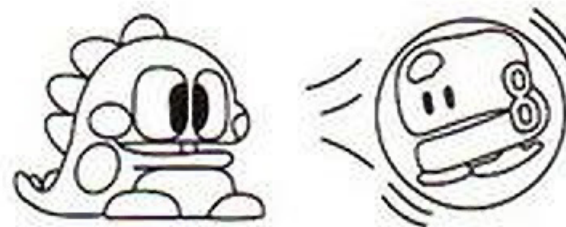

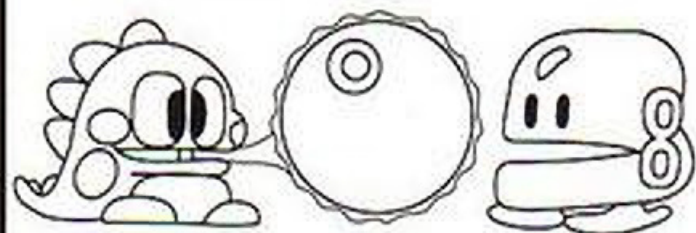

During the one player mode, Player 2 can join the game by pressing the fire button on the Player 2 joystick.

## How to Burst Bullies

1) Blow Bubbles

2) Box up Bullies, then ...

3) Burst them!

## Scoring

### A Burst the Bubbles

By bursting bubbles containing fire, thunder and water, you can quickly burst the bullies. Fire, Thunder, and Water flow in the direction you are moving.
