

BUGBLASTER — Commodore 64

AGE: 7 PLUS

HOME ENTERTAINMENT

A superb action packed arcade special. A really fast implementation of the splendid 'centipede.' Features include spiders, mushrooms, centipedes, snapping scorpions, swooping dragonflies and the mushroom poisoning snail affectionately known as 'Brian.' Catch the wriggly, squiggly earwig and earn yourself an extra 1,000 bonus points. The better you get the faster the action. Nerve tingling excitement should keep you up all night!
