PLAYING INSTRUCTIONS

Object – Guide “Jumping Jeff” the fast food chef around the different crazy kitchens to make his favourite snack – Llamaburgers.

Play – Walkover various burger parts (bun tops and bottoms, 100% pure llama meat and lettuce) to complete each of the four burgers in trays, beware of the pursuing Mister Hot Dog and Miss Egg who are out to get “Jumping Jeff”, although you squash them between falling burgers for extra points. Pressing the fire button or CTRL key releases a cloud of pepper which lasts for a few seconds and renders the pursuing food harmless. You start each screen with 3 units of pepper and can get more by taking the milk shakes which appear from time to time. After completing the burgers you move on to a different screen with more pursuing food.
